

Oklahoma BirthNetwork is an official chapter of **BirthNetwork National**. We do not endorse or recommend providers, but list those providers who endorse the **Mother-Friendly Childbirth Initiative (MFCI)** and are paid BirthNetwork National members. BirthNetwork National does not guarantee the provider information contained in this guide and BirthNetwork National does not check the validity or accuracy of credentials including, but not limited to, certifications, licenses or training of any listed provider. There are variations in the philosophies and practices of providers listed. It is the responsibility of each consumer to verify the credentials of providers and BirthNetwork National encourages consumers to interview providers in order to find the care that is right for each individual and family.
